TRACCIA 1

Italy's Silver Civil Service

From the OECD publication "Government at a Glance 2017 – Country Fact Sheet – Italy":

"The share of Italy's central government workforce aged over 55 years is close to 45%, compared to the 24% average across the OECD countries. Italy also has the lowest share of young people working for the central government, where only 2% of workers are between 18 and 34 years old."

Discuss the implications of these statistics for Italy.

TRACCIA 2

Parenthood

The Italian *Mamma* is an internationally iconic figure, yet today Italy has one of the lowest birth rates in the world. **Discuss the issues affecting parenthood in modern Italian society.**

TRACCIA 3

The Divine Spark

Italians are famed for their creativity; **discuss how this characteristic has shaped the country and its culture.**
