Invitation: MENA-OECD Governance Forum “Visions for Recovery” 30-31 March 2021 via Zoom

Sir/Madam,

It is our pleasure to invite you to attend the **MENA-OECD Governance Forum “Visions for Recovery”**. This series of events will be organised virtually by the MENA-OECD Governance Programme on **30-31 March 2021 via Zoom**, in collaboration with the SIGMA initiative and the MENA-OECD Governance Programme Training Centre of Caserta. Co-Chaired by **H.E. Ms. Hasna Ben Slimane**, Minister to the Tunisian Head of Government in charge of Civil Service and **H.E. Ambassador Antonio Bernardini**, Permanent Representative of Italy to the OECD, the Governance Forum will focus on exploring solutions to ensure a more inclusive and resilient post-COVID-19 recovery.

The MENA-OECD Governance Forum thus represents a timely platform for representatives from MENA and OECD governments, regional partners, international organisations, civil society and business organisations to exchange good practices and perspectives on how governments can deliver a better recovery for all.

Four high-level events will be organised during the MENA-OECD Governance Forum:

- **Citizens’ Voice: Effective public communication for enhancing open government and supporting the COVID-19 recovery** (30 March between 11h and 13h CET via Zoom). [Please click here to register](#);
- **User-centric service delivery: Putting citizens and businesses at the centre**, organised with the SIGMA Programme, a joint initiative of the OECD and the EU, principally financed by the EU (30 March between 13h and 15h CET via Zoom). [Please click here to register](#);
- **Digital governance and Rule of Law for more open, accessible and efficient public services**, organised with the MENA-OECD Governance programme training Centre of Caserta (31 March between 10h and 12h CET via Zoom). [Please click here to register](#);
